Yes, I would like to join the Spindrift Commissioning Guild and support new music projects by Pamela J. Marshall in 2006 and early 2007.

Name(s) that you want listed for public recognition*	

*Typically your own name, but you can specify Anonymous or a tribute to someone else.

Listing your name To be omitted from some of the lists, check one or more options:
 Not on web site Not in printed score Not in concert program

If you check all three, or specify "Anonymous" above, you will be recognized as "Anonymous" in all lists; if you check one or two, those lists will say "and others".

Selecting your benefits After the premiere, send a membership certificate and:

- CD of premiere (with performers' permission)
- Link to online mp3 recording of premiere (with performer's permission)
- Printed music (see printed music payment categories below)
- PDF of sheet music via email

Contributions The typical Guild membership for a small project is \$25 and for a larger project it's \$30 to \$50. Choose the amount you'd like to contribute; all support is appreciated. If you would like printed music, especially for large ensembles, a higher contribution is necessary because of the costs involved.

Project Sponsor Options	Suggested Contribution	Your Amount
Art-Poem-Music for voice & string trio Contributions shared by poet and composer	\$25	
Art-Poem-Music with printed music Contributions shared by poet and composer	\$30 - \$50

Note: This is not a non-profit organization and your guild membership is not tax-deductible.
